## NATUREMOSS

NATUREMOSS is carefully crafted by hand in Cheshire, and true to our core values is authentic, cost effective, and easy to use.

As a business we are committed to finding solutions that are good for people and the planet!

NATUREMOSS needs no watering, sunlight or maintenance and will stay fresh and soft to the touch long into the future... making it a perfect alternative to a traditional living wall.

## NATUREMOSS - FOREST FLOOR

FOREST FLOOR is an excellent way to enter the world of biophilic design.

Our makers, carefully combine a selection of mosses, including FOOTHILL, LOWLAND and RAINFOREST, creating our most natural looking material, reminiscent of a real Icelandic Forest Floor.

FOREST FLOOR is made bespoke, so you can get creative and use as a full wall, picture, signage, room divider or even a mini indoor garden.

## NATUREMOSS - LOWLAND

LOWLAND is a great for creating a simple and contemporary moss wall, whilst still providing a beautiful lush green backdrop.

LOWLAND is ideal as a staging material for signage.

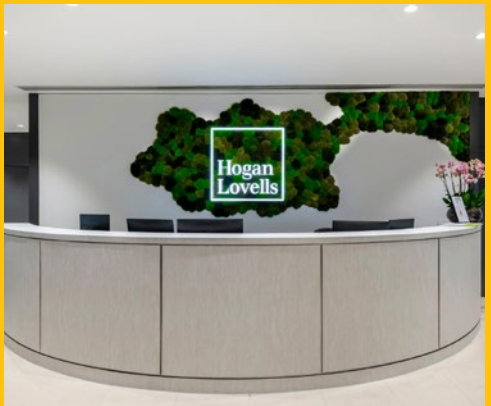

LOWLAND is made bespoke, so you can get creative and use as a full wall, picture, signage, room divider or even a mini indoor garden.

## NATUREMOSS - FOOTHILL

FOOTHILL can be crafted using a selection of differently coloured mosses to create a natural look, or just one colour for a more consistent contemporary look.

FOOTHILL is made bespoke, so you can get creative and use as a full wall, picture, signage, room divider or even a mini indoor garden.
