WOOLLYWALL

WOOD WOOL

WOOLLYWALL

WOOLLYWALL is carefully crafted by hand in Cheshire, and true to our core values is authentic, cost effective, and easy to use

Made bespoke to your design, our makers here in Cheshire can create an almost unlimited choice of shapes and sizes, adding colour with our range of eco-friendly clay based paints.

Highly resistant to fire and water, and a great sound absorber, WOOLLYWALL is perfect for all types of projects.

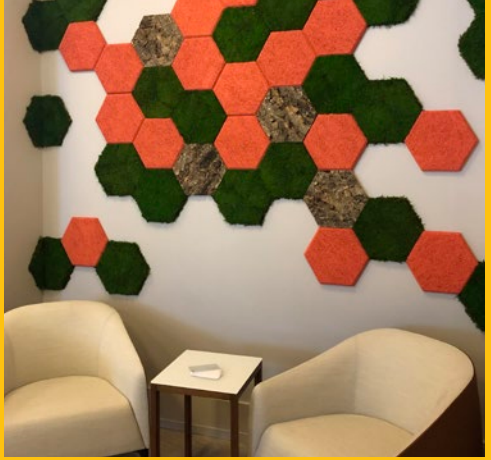

WOOLLYWALL OPTIONS

15 beautiful Eco paint colours as standard, with many more bespoke colour options available too!

You choose your colour, shape, and size, we'll do the rest. . .

Thickness	Available in 15mm and 25mm thickness							
Sizes	100 x 100	100 x 200	200 x 200	200 x 400	400 x 400	400 x 600	600 x 600	600 x 800
Bespoke	Please ask if you want something different and we'll see what we can do!							
Woollywall is available as bevelled or straight edged								

BOTANICAL

Our BOTANICAL collection was created using real leaves and developing the images with the traditional cyanotype method. Mix and match to get your ideal BOTANICAL look.

MIX IT UP

To make your Woollywall even more special, why not add some Moss or Bark to add that little bit of biophilia?

We exist as a company to inspire designers with authentic, cost effective and easy to use, MATERIALS FOR DESIGN and we are committed to doing business in a way that is good for people and the planet.
